This is to certify that Mr.Gautham.T S/o N.N Thankappan, Nedumthottiyil, Pakalomattom P.O, Kuravilangad, Kottayam, Kerala, Pin: 686633, was a Automobile Engineering Diploma student with Register No. 17051166 of this institution during the academic year 20217-2020. He was a bonafide student with excellent conduct and character.

Right from the early days in this college, he showed exceptional qualities. He was hard working and diligent. His curiosity and earnestness were quite noteworthy. The same qualities will stand his good stead in the now course he wants to undergo. He will do well if he is given a chance to join a course in your esteemed institution.

I recommend Mr.Gautham.T pursues his studies abroad. I am confident that he will come with flying colours in his studies wherever he is. Once again I am wishing him all the best.
