TO WHOSOEVER IT MAY CONCERN

This is to certify that Ms SANIA REINA is a bonafide student of our college, CMR National PU College, ITPL [AS0781] in II PUC Science (PCMC). She has appeared for her II PUC Board examination in Feb/March 2024 and is awaiting her result.

Sania has come across as a sincere student who takes immense interest in her learning. She is focused and quick to grasp concepts taught in class. In addition, her command over English language is appreciative. She has also been an active participant in college events and is creative too.

As the Principal of the college, I take immense pleasure in writing a letter of recommendation for Sania and wish her good luck in her pursuit to secure admission in your institution.
