

Motivation Letter

My name is Thaji Lekshmi and I am an Indian resident who is aspiring and optimistic in life. I was born on 01/08/2000 to a decent Indian family in Kerala. My father, Biju Ananthkrishnan and my mother Sreelatha is housewife. My family has been my driving force and always supports me.

I completed my secondary school in 2017 with 90 % marks and higher secondary school in 2019 with 78.25% marks from Govt.Model Boys HSS , Kollam , Kerala . Once I completed my school education, as our family was going through a small financial crisis at that point of time, I decided to join the company, Etrans Global Private Limited as a Editor and Recorder which was from 2019 April to 2023 August. Then I joined as Retail Sales Associate trainee at Edujobs Academy Private Limited, PMKK , Kollam from 2023 September to 2024 February . Now my family is financially in a better stage and I desperately want to complete the rest of my education for higher growth in my career.

I write this Letter of Motivation to express my passion for pursuing the Bachelor's program in Economics and Finance program at your esteemed university in Kaunas, Lithuania.

The main reason I decided to apply to the Management and Finance of Innovation program at Vytautas Magnus University is my ambition to use my knowledge and skills to help organizations gain economic growth and to use the experience to develop my own business in the future. Looking into the course curriculum I found that the Students of the Faculty of Economics and Finance have wide opportunities to gain international experience . I consider Vytautas Magnus University to be a prestige university with great capability among its lectures which is also a driving factor for my ambition to study at the university.

I sincerely believe that an education from a university of your stature will help me realize my dreams of making worthwhile contributions to the field of economics and Finance.

With this, I would like to close the letter stating that I shall be greatly honored to be considered for a seat at such an esteemed institution.

Looking forward to hearing from you.

Warm Regards.
