

## **STATEMENT OF PURPOSE**

I am Megha Jose writing to express my earnest interest in pursuing a Master's degree in Economics and Management of Public Administration at the Technical University of Kosice. I have completed my bachelor of commerce from Mahatma Gandhi University with a CGPA of 6.11. With a profound passion for understanding the intricacies of public policies, coupled with a strong academic background and professional experience, I believe that your esteemed university offers the perfect environment for me to further my knowledge and skills in this field.

Allow me to provide some insights into my academic journey and professional experiences that have led me to this decision.

Since my undergraduate studies, I have been captivated by the dynamics of economic policies and their impact on public administration. My academic pursuits in economics have equipped me with a solid foundation in microeconomics, macroeconomics, econometrics, and public finance. Additionally, I have actively sought out opportunities to engage in research projects focused on public policy analysis, where I gained invaluable insights into the complexities of policy formulation and implementation.

Moreover, my professional experiences have complemented my academic endeavours by providing me with practical insights into the real-world application of economic principles in the realm of public administration. I have had the privilege of working in various renowned companies like iON Digital Zone, Royal Education Group, Affiniks study abroad and Immigration, where I have been involved in policy analysis, strategic planning, and project management. These experiences have not only honed my analytical and problem-solving skills but have also instilled in me a deep sense of responsibility towards contributing positively to society through effective public governance.

In my quest for continuous learning and professional development, I am particularly drawn to the Economics and Management of Public Administration program offered by the Technical University of Kosice. The program's comprehensive curriculum, encompassing subjects such as public policy analysis, public sector economics, strategic management, and administrative law, aligns perfectly with my academic interests and career aspirations. Furthermore, the opportunity to learn from esteemed faculty members and collaborate with diverse peers in a stimulating academic environment is truly enticing.

Beyond academics, I am eager to immerse myself in the rich cultural heritage of Slovakia and contribute to the vibrant community at the Technical University of Kosice. I am confident that my diverse background, coupled with my enthusiasm for learning and making meaningful contributions, will enable me to thrive academically and contribute positively to the university community.

In conclusion, I am wholeheartedly committed to pursuing excellence in the field of Economics and Management of Public Administration, and I am confident that the Technical University of Kosice will provide me with the platform and resources to achieve my goals. I am genuinely excited about the prospect of joining your esteemed institution and look forward to the opportunity to contribute to its academic and intellectual community.

Thank you for considering my application. I am eager to provide any further information or documentation that may be required.

Yours sincerely,

MEGHA JOSE
