Country: India

Basics of Health Promotion and Education Intervention

NPTEL [Jul 2023 - Sep 2023]

WORK EXPERIENCE

Intern

Trane Technologies [4 Dec 2023 - Jun 2024]

City: Bengaluru | Country: India

Got hands on experience in CREO and Windchill (Product lifecycle management software). Currently working under the product engineering department in the VAVE team on optimization and redesigning of Thermo King T-series unit logistics using value methodology.

Intern

Peekay Steel Castings Pvt Ltd [10 May 2023 – 8 Jun 2023]

City: Kozhikode | Country: India

Assisted in various stages of steel casting production, such as mold preparation, pouring molten metal, and finishing processes. Participated in quality assurance activities, including inspecting finished castings for defects, conducting tests, and documenting results. Adhered to safety protocols and guidelines, participate in safety training sessions, and promote a culture of safety in the workplace. Worked collaboratively with colleagues across different departments, including production, engineering, quality assurance, and maintenance, to support overall company goals and objectives.

Intern

National Motors Pvt Ltd [30 May 2022 – 28 Jun 2022]

City: Kozhikode | Country: India

Got an opportunity to learn to diagnose mechanical issues and assist in troubleshooting and repairs under supervision. Also got an opportunity to perform basic automotive repairs and installations under the guidance of experienced technicians. Participated in training sessions and workshops to enhance your knowledge and skills in automotive repair.

PROJECTS

[2024]

Design and Optimization of Thermo King T-series Crate using Value Methodology
