LETTER OF RECOMMENDATION

Ms. SAFA AJEEB was a **BACHELOR OF ENGINEERING** in **CIVIL ENGINEERING** Student in our institution. I was working closely with her during the period of four years from **2019** to **2023**.

She has completed the course with good academic records. She is confident, hardworking and has a positive attitude. I found that she can be entrusted with responsibility. She has proved to be effective and meticulous in studies during the course of study.

I strongly recommend her candidature for admission to the postgraduate programme at your esteemed institution and to possible position for her assistantship and financial aid. I am sure that she will be asset to your institution. I wish her all success in future endeavours.
