

St. Antony's

HIGHER SECONDARY SCHOOL

LETTER OF RECOMMENDATION

Mr. ABHINAV M (Reg No : 22014409), was a student of Commerce batch in our institution during the year 2021 – 2023. His medium of instruction was English. He is known to me for the last 2 years. He is creative and determined.

During his course as a Higher Secondary student I have noticed him as an obedient student.

He has good communication skill and observation to develop thoughtful opinion on a variety of issue. He was very active in class room discussions and gained insight from all his instructors.

I wholeheartedly recommend Mr. ABHINAV M, as a perspective student for an admission in your esteemed institution
