Dear Ms. Jose,

we kindly request an update on the status of your admission for the September intake.

Please be aware that if you are unable to provide proof of your study deferral to September within a reasonable timeframe, there is a risk that the Ministry of Interior may reject your application.

Gmail - Odpověď: Urgent attention - request to reschedule the interview

I am writing this to inform you that since my long-term visa is still in process, Silesian university instructed me to defer for September intake. So currently I am opting for the deferment option. I have sent a request mentioning that I am willing to defer for next intake and eagerly waiting for their decision and waiting for an updated offer letter from Silesian university of business school of administration, Opava. As my visa interview is scheduled on 17<sup>th</sup> of April 2024 at 9am, I request you to please reschedule my interview date.

I would greatly appreciate it if you could provide me with information regarding any additional documents that are required to be submitted during the interview process.

I look forward to the new updated interview date. Thank you very much for your attention to this matter.

Warm regards,  
Naurene Sara Jose
