Dear Praveen Alavala,

The Admissions Office at Jönköping University is pleased to inform you that you are accepted to start your studies *AI Engineering (master)* at School of Engineering on 19 August 2024.

### **What to do now**

**Step 1:** Go to this [link](#) to accept or reject your offered place **within one week**. You will lose your place if you do not reply on time.

**Step 2:** You will receive a Letter of Acceptance after you have accepted the offer.

**Step 3:** Information on how to log into the invoice system will be sent to you **a few days after** you have received the Letter of Acceptance.

The tuition fee must have reached our bank by the due date on the invoice. You will lose your place in the programme if you do not pay the fee on time.

If you have any questions about the payment, please contact [tuition@ju.se](mailto:tuition@ju.se)

**Step 4:** Follow the instructions from the Accommodation Office found on [their website](#).

**Step 5:** See the information about applying for residence permit for study with the Swedish Migration Agency at [www.ju.se/studypermit](http://www.ju.se/studypermit).

Regards,

Admissions Office
