

STATEMENT OF PURPOSE

ALAN JOSE

I firmly believe that nursing is a career of great demand and challenge, yet it offers incredible rewards. I am prepared and enthusiastic to pursue this path, driven by the opportunity to provide care and support to those in need. Nursing aligns perfectly with my passion for making a positive difference in people's lives.

I am pleased to introduce myself as Alan Jose, hailing from Aluva, Kerala, India. I completed my secondary education at Christava mahilalayam with an outstanding 92.5% in 2021. Following this, I pursued higher secondary education at Cardinal hss thrikkakara, achieving 65.92% in 2023. Additionally, I have acquired IELTS with overall 6.5, S-6.5, R-6, W-6, L-7.5 through self-study and coursework.

My desire to pursue nursing stems from my inherent qualities of empathy, dedication, and a strong desire to serve others. Nursing not only offers a fulfilling career but also provides opportunities for personal and professional growth. I am committed to utilizing my skills to make a meaningful impact on the lives of patients and their families during challenging times. After my exams i get into samritan hospital as an assistant trainne nurse to get a basic ideas of nursing industry. I performed my best with taking care of patients and i got a certificate for working there.

In pursuit of quality education and practical training, I have conducted extensive research on various universities offering nursing programs. After careful consideration, I have chosen to pursue a BSc in Nursing at Lithuanian university of health and science due to its esteemed reputation and commitment to excellence in healthcare education.

Lithuanian university of health and sciences is renowned for its state-of-the-art facilities, experienced faculty, and collaborative learning environment. I am particularly drawn to the comprehensive curriculum, which covers a wide range of nursing specialties and emphasizes practical clinical experience.

In conclusion, I am excited about the prospect of embarking on this journey towards becoming a proficient and compassionate nurse. I am confident that my dedication, coupled with the exceptional education provided by Lithuanian university of health and science, will equip me with the necessary skills to succeed in this noble profession.

I hereby affirm that the information provided above is accurate and true to the best of my knowledge.
