12<sup>th</sup> April, 2024

I, Cindhu K. George, Head of the Department, Department of Microbiology, St. Mary's College for Women, Thiruvalla, Kerala, India. I am pleased to write a letter of recommendation for **Ms. JABIYA ELIZA VARUGHESE (University Register No. 160021056779)** for higher studies in your prestigious institution. I have known her for the past three years as she completed B.Sc Microbiology programme during the academic year 2016 – 2019.

During this period, I had the opportunity to observe her participation and interaction in class and to evaluate her knowledge of the subject matter. She had skills in conducting, coordinating and arranging different activities conducted in our institutional and departmental level.

She is well equipped to grow from challenges that she is presented with. I recommend her for further studies in your institution. I wish all success in her future endeavors.

This certificate is issued for the purpose of her Higher Studies in the Germany.
