LETTER OF RECOMMENDATION

It is certified that Harman Singh S/O Jaswinder Singh and Amarjeet Kaur was a Bonafide student of D.A.V.Sen.Sec. School, Takhatgarh Tehsil- Nurpur Bedi Distt- Ropar, Punjab during session 2020-21. He has passed class XII in Science stream during session 2020-21 under admission no. 47/S

I feel great pleasure in recommending him for higher studies. His understanding of the rudimentary concept certainly helped him enhance his performance in his class. While teaching him I found him serious and his performance was always appreciative. I find him very preserving student. He was regular in his studies. He showed initiative, drive and stamina for hard working. He is able to quickly develop an understanding of the fundamentals of the subject. His approach is very flexible and he shows an abiding interest in the new concepts.

He has an amicable and co-operative disposition. Considering his aptitude and skills, I strongly recommend him for higher studies.

Sincerely,

Principal
