She is very dedicated and determined individual who has an innate state of responsibility and perseverance to finish any tasks that she is entrusted with. She is patient and a creative thinker with an eye for details and devotion for logics, which serves her. She is a calm person who always spread a positive attitude towards her work. I find her to be dedicated and confident and I hope she will excel in higher studies also.

LETTER OF RECOMMENDATION

As head of the department of psychology at M E S College Marampally, It is my pleasure to recommend Ms. Nawrin Shaji with University Registration Number 200021045621 for admission to the PG program at your prestigious University. I have known her since 2020 as she was doing her Bachelors in Psychology in this department. Being her teacher I have found her to be a soft and quite person with pleasing manners. I had taught her in all semesters, initially physiological psychology and finally for practical, psychological assessment. She has secured notable achievements and activities during this period.

She has a strong urge to pursue higher studies in psychology. I am confident that she will be great addition to your University and therefore I gladly recommend her for higher studies in your esteemed University.
