

IPCAI GRACE CARE

Geriatric Training & Development Center
A Project of IPCAI Charitable Trust

Reg. No. IV/360/2012

Date: 31/12/2022

CERTIFICATE

This is to certify that **Ms. Nawrin Shaji**, III year B.Sc. Psychology student from MES College, Marampally has completed 8 days internship as **Trainee Psychologist** at **IPCAI Grace Care, Geriatric Training and Development Center**, as part of her 5th semester course requirement from 23rd December, 2022 to 31st December, 2022.

IPCAI Grace Care is a Geriatric Training and Development Center started as a Project of IPCAI (Institute for Person Centered Approaches in India) an international consultancy team for geriatric care and management as well as training imbibing the spirit and charisma of **Helen Sanderson Associates (HSA)** and **Dimensions, UK**.

The training programme was mainly focused on practical exposure to case history and mental status examination, psychopathology as well as practical aspects of psychotherapies. She also involved in case presentations and visits to other residential psychiatric centers like Aakashaparavakalude Koottukar, Chenkalpalli and Mariasadanam, Pala as well as Brainworks Neuro-Psychiatric clinic. During this period we found her sincere, hardworking and interested in her studies and her performance during the training was found to be good.

We wish all success in her future endeavours.
