International Business School uses a grading system ranging from 0 to 100, which corresponds to the traditional Hungarian 5-level grading system with the following conversion: 0-39: fail (1); 40-49: pass (2); 50-59: satisfactory (3); 60-69: good (4); 70-100 excellent (5). Marks over 80 are rarely awarded and reflect outstanding student performance. Where an "E" appears, it means that the subject was accepted via credit transfer from another institution. Where a „Pass” or „Pass+” appears in the transcript, it represents a grade awarded on a three-grade scale (Fail/Pass/Pass+), where „Pass” is an ordinary pass (equivalent of 40-69 without specifying the exact grade) and „Pass+” is an excellent grade (equivalent of a mark of 70 or higher without specifying the exact grade).
