LETTER OF RECOMMENDATION

I am very much pleased to recommend **Mr.AMAL M** as a prospective student for the masters programme in your university. I have known him as a Bachelor of Commerce (B.Com) student in this college (2016-2019) and I had opportunities to observe him in close quarters as his instructor for the course Bachelor of Commerce (B.Com) Finance & Taxation.

AMAL M was quite ambitious and career driven. He works hard to achieve his goals and committed to his work. He was very interactive in the classes and endorses the discussion with cogency and natural ease. He was a student with self-reliance and good level of self-confidence.

He was an understanding of the subject and quest for knowledge constantly impressed me. He has repeatedly proved his conceptual ability and creative outlook in the class room discussion with notable problem solving methods.

I wish him all the success for the future endeavors.
