TO WHOMSOEVER IT MAY CONCERN

I am glad to recommend Ms. Anitta George to your esteemed institution. I have known her for last three years. She is a very committed student of our Undergraduate Programme - Bachelor of Computer Application Degree Course (2018-2021 batch). She is very friendly and has leadership qualities to lead a team for the successful completion of any project. She takes up all projects assigned to her with zeal and enthusiasm.

She is very amiable, soft spoken and polite. She has actively involved in all the activities of the department and college and is a student who can be trusted with responsible duties.

I highly recommend her for higher studies in your esteemed institution and I am confident that she will be an asset to your institution.
