LETTER OF RECOMMENDATION

I take immense pleasure in recommending Mr. Jestin .to take up higher studies .
As the class teacher

I have an oppertunity to interact with him closely. I know him for the past two years. His performance in this school is laudable

Jestin is a very keen, hardworking and attentive student with and excellent grasp over the fundamentals of the subject and eager to learn new topics and explore new frontier of subjects.

He has managed to maintain an excellent academic record through the year of higher secondary studies (2020-2022)

His versatility and gift of conceptualization impels me to strongly recommend him for admission to your university and hope that you will carefully consider his application for admission

I wish him all success in his future endeavors
