LETTER OF RECOMMENDATIONS

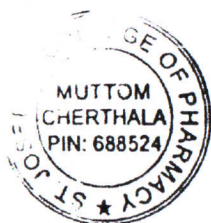

TO WHOM SO EVER IT MAY CONCERN

It gives me an immense pleasure to recommend Ms. ATHIRA SASANKAN bearing register no:.....66600..... She was a bonafide student of our institution to D Pharm course for the year 2015-2017. This course program was conducted in English medium. She is an enthusiastic and intelligent student who loves interacting with peer group and faculties. She has very good communication skill (English) and a convincing ability. We found her to be a very hard working and sincere individual and strongly believe that she will be successful in achieving her goal.

During that period we found her character and conduct was good. I strongly recommend her for admission in your esteemed university. I wish her a very bright future.
