

STATEMENT OF PURPOSE

My name is Albi Jimmy, and I was born on March 8, 2003, in Kozhikode, India. From a young age, I have been passionate about understanding the intricacies of business and human resource management. This passion has guided my educational journey and has brought me to this pivotal moment where I aspire to further my studies in Strategic Human Resource Management at IBS, Hungary.

I completed my senior secondary education at St. Sebastian Senior Secondary School in 2019, achieving an impressive 91%. This academic success was a testament to my dedication and commitment to excellence. My interest in commerce led me to pursue higher secondary education at St. Sebastian's Higher Secondary School, where I specialized in commerce and graduated in 2021 with a remarkable 95%.

To build on this foundation, I pursued a Bachelor of Business Administration from NAMO College, graduating in 2024. During my time at NAMO College, I gained a comprehensive understanding of business operations, management principles, and the critical role of human resources in driving organizational success. While my academic performance was solid, with a final score of 62%, I supplemented my classroom learning with practical experiences and projects that provided me with a deeper insight into the business world.

My journey thus far has equipped me with a solid foundation in business administration and commerce. However, I am eager to delve deeper into the strategic aspects of human resource management. I believe that the MSc in Strategic Human Resource Management at IBS, Hungary, is the perfect program to help me achieve this goal. The curriculum at IBS, known for its rigorous academic standards and practical approach, aligns perfectly with my career

I am excited about the opportunity to interact with students and faculty from various cultural and professional backgrounds, which will undoubtedly enrich my learning experience and broaden my perspective on global business practices.

I am fortunate to have the unwavering support of my father, who will sponsor all the expenses related to my education at IBS. This support underscores the importance of this educational pursuit for me and my family. Upon completing my MSc, I am committed to returning to India to contribute to the growth and development of the human resource management field. I am particularly passionate about improving employee engagement, developing effective talent management strategies, and fostering a positive organizational culture.

In conclusion, I am confident that the MSc in Strategic Human Resource Management at IBS, Hungary, will provide me with the knowledge, skills, and experiences necessary to achieve my career goals.
