ACCEPTANCE LETTER

We hereby confirm that Said Ali Anvar, born 04/09/2006 in India is **accepted to study** at Kaunas University of Technology in the Bachelor's degree programme "Intelligent Robotics Systems" from the 1st September, 2024.

The decision is based on presented education and supporting documents. *The student must bring his original education documents upon arrival.* If a fraud is found anytime during the studies, the student is expelled from university and the paid tuition fee is not returned.

The Intelligent Robotics Systems Bachelor's degree programme is under the supervision of the Faculty of Electrical and Electronics Engineering. The course is a 4 years full time programme. The language of instruction is English. The application fee is EUR 100. The one year (60 ECTS) tuition fee is 2877 EUR/year.

The student is awarded with the partial tuition fee waiver. The standard fee is 3,836 EUR/year. The partial tuition fee waiver applies for the first semester. The waiver can be prolonged only if the student's CGPA remains 7 or higher and all subjects are passed successfully.

The student may be provided with the place at KTU dormitory during his/her studies at the University. Accommodation priority is given according to the date of the tuition fee payment. The dormitory fee is not included into the tuition fee.

Welcome week for international students will be held on 28 August – 30 August, 2024.

Acting International Relations Department
Director

Audronė Račkauskienė

Prospective Student
