The Selection Committee,

RE: URVI KANJI BHUDIYA ADM NO.6888

I am writing to wholeheartedly recommend Urvi Kanji Bhudiya for the university. I have known her for more than 3 years and during this time, she has consistently demonstrated exceptional dedication, intellectual curiosity, and a strong work ethic. Urvi has been a student in SCLP Samaj School since 2016 when she joined in Year 6. She is an outstanding individual who excels both inside and outside the classroom. Not only performing exemplary in academics, she had also taken part in non-academics related areas such as school events, enabling her to strengthen her communicational skills.

In addition, she has actively engaged in extracurricular activities such as volunteering in Kenya Red Cross and Leo Clubs. She has been an e-learning prefect throughout her O-Levels allowing her to have great leadership skills and critical thinking abilities. Not only in non-academics, but she has been exemplary in showcasing good grades throughout her years of study. Urvi had also engaged in ICT practicals in school and had also taken ICDL Africa classes enabling her to expertise in the field of computer licensing.

I therefore strongly recommend Urvi as a recipient for the university that would help her achieve her dream career and I am confident she will continue to excel in her academics.

Regards,
