Dear Rony,

thank you for your question.

You have to get your visa first, arrive to the Czech republic and register for studying in person. Than you will be asked to sign the document "Decision on study-related fees for study programmes carried out in a foreign language" and after that you will get it, you will have 30 days to pay a tuition fee.

Thank you.

Best reagrds,
International Office EF TUL

Dne 26.04.2024 v 10:56 Rony S napsal(a):

That's great, thank you very much.

Thank you for the information.
