RECOMMENDATION LETTER

I take this opportunity to introduce Mr. Abhijith Sreedharan, student of Bachelor of Management Studies course at Pillai college of Art's Commerce and Science New Panvel. I have known him for 3 years, as a Vice Principal during his academic year 2019-2022.

His academic record was outstanding which is evident as he completed his Degree. As a student Abhijith Sreedharan was determined and sincere with exceptional problem solving skills and intellectual abilities. He was a diligent student who regularly attended his classes and completed assignment on time.

The consistency in his grades and his active participation in other activities showed that he is versatile as well as focused towards his academic goal. I would expect Abhijith Sreedharan to bring these qualities of character to your institution too. I understand that he is desirous to pursue Masters/post graduation from your prestigious university and therefore strongly recommend him for the Maters program with suitable financial aid.
