Dear Sir/Madam,

Re: Financial support for Adra Shamshir

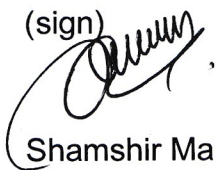

This is to confirm that I, Shamshir Makkachi Maliyekkal am the father of Adra Shamshir

and will financially support my daughter during her studies for a Bachelor's degree in Biomedical Science at the University of Huddersfield

I can fund her studies and have enclosed my financial statements as evidence. I fully consent to her using these funds (32,000£) while studying in the United Kingdom.

Yours faithfully,
