

To Whom It May Concern

I would like to highly recommend Mr. Roby K S based on my experience teaching him in B.Tech Computer Science & Engineering program. I have had the privilege of knowing him for the duration of three years and I was impressed with his dedication and enthusiasm. I have handled CST205 Object Oriented Programming using Java course for him. In this course, he had shown keen interest in learning the concepts of Java programming.

Mr. Roby K S is diligent, resourceful and interested in learning new concepts. He is also a team player, as evidenced by his ability to collaborate effectively with peers on group projects.

I firmly believe that Mr. Roby K S has the potential to excel in his chosen field. He will be able to make significant contributions to the field and will excel in his future academic and career pursuits.
