

Order confirmation - Governmental Health Insurance (BARMER)

Hereby, we confirm that you successfully applied for governmental health insurance at BARMER. Your data was safely forwarded to our partner.

Governmental health insurance only takes effect after official enrolment at the university of your choice. Please note that it is essential to follow the instructions in your Fintiba account. Don't worry - the Fintiba Plus package will cover your health insurance needs at any given time. Along with the preparations for your stay in Germany, you will be guided through the process step-by-step. Also, feel free to check out the Fintiba Companion, which is a part of your Fintiba account and provides you with a checklist that covers the most important steps on your way to Germany. It can be found in your Fintiba app.

BARMER will initiate the electronic registration at your university (M10) as soon as possible. You will be informed by us as soon as the registration was successfully sent. To activate your product and to receive your insurance card, you will have to provide us with your admission letter and a facial photo along the way. You can upload those documents as soon as we have received the confirmation from BARMER. **Please do not upload admission letters for language courses or a Studienkolleg.**

All the relevant documents can be uploaded through the Fintiba App via the following link:

<https://app.fintiba.com/auth/login>

Regarding further required documents and other to-dos, you will receive detailed information and instructions via email.

If you have any questions, please do not hesitate to get in touch with us by email or phone or check our [Help Center](#).

Kind regards

Health Insurance Confirmation for Visa Application (BARMER)

Dear Sir or Madame, hereby,

we confirm that

First Name(s)

Surname

Date of Birth

Place of Birth

Passport Number

By

successfully applied for governmental health insurance at BARMER. Governmental health insurance only takes effect after official enrolment at the university of choice.

The university registration will be done as soon as possible.

Governmental health insurance at BARMER will be active after the electronic registration has been confirmed by the customer's university.

If, for the customer mentioned above, there is a time gap between the date of arrival in Germany and the official enrolment date, separate incoming insurance or private insurance confirmation must be provided to cover that time gap.

Kind regards

Fintiba GmbH
