To,
Visa Officer
The Embassy of the Republic of Latvia
Applied through VFS Global Services
Ravipuram, Cochin

Subject: Application for - National Visa (Type D) to study in the Republic of Latvia.

Respected Sir/Ma'am,

I, Mr. Adithya Sangeetha Binu, holding an Indian Passport Number **B7134446**, with an expiration date of 22/10/2033, would like to submit an application for The Republic of Latvia, National Visa (Type D). I have been offered admission for the Bachelor's program in Engineering Technology, Mechanics, and Mechanical Engineering at Riga Technical University, Latvia. The program is taught in English and the duration is 3 years starting from Autumn Semester 2024.

Allow me to provide you with some background information about myself and my intentions for pursuing this degree. I hold a Higher Secondary Education in Science major from The Directorate of Higher Secondary Education (DHSE), under Kerala Board of Public Examinations, where I graduated with 60%. My academic background and my passion for engineering and technology have driven me to seek advanced education in this field.

My early enthusiasm for mechanics evolved into a profound passion for engineering and technology during high school, where I focused intently on physics and mathematics. My commitment to these subjects and strong academic performance reflect my dedication and preparedness for advanced studies in this field. This journey solidified my decision to pursue a science major in higher secondary education, setting the stage for my future in engineering. I chose Riga Technical University for its comprehensive curriculum, esteemed faculty, and state-of-the-art facilities.

Financially, I am well-prepared for my studies and stay in Latvia. I have sufficient funds to cover my tuition fees, living expenses, and other related costs. My studies are sponsored by my father, who is a private sector employee. I have a guarantee letter from Riga Technical University stating EUR 8500. Supporting documents, including bank statements and income tax returns, are attached to this letter. Additionally, I have secured accommodation in Riga at RTU student accommodation in Riga, Āzenes street 8, and I have included proof of this as well.

I am highly committed to my studies and future career and am confident that my education in Latvia will greatly benefit my personal and professional development. I assure you of my intention to return to India upon completing my studies to contribute to my family and community. I aim to work with top-ranked automotive companies in India, leveraging my education to make a meaningful impact.

Thank you for considering my application. Please find attached all necessary documents, including my completed visa application form and supporting materials.

Please find attached the following documents in support of my visa application:

- D-type visa application form
- Invitation letter from the institution.
- Letter of acceptance from the institution
- Signed Study Agreement
- Copy of Hello Verify Portal Receipt, application initiation mail, and successful completion mail
- Name Change Affidavit
- Copy of AIC
- Guarantee letter from stating Eur 8,500 deposit from University.
- Payment Proof of University Application Fees, Tuition Fees and Resident Permit and Security Deposit
- Copies of ITR
- Travel Insurance for the duration of my stay as per visa specifications mentioned on the consulate site
- Proof of Accommodation
- Police Clearance Certificate for Latvia (Apostle by Ministry Of External Affairs)
- Academic Documents (Apostle by Ministry Of External Affairs)
- Copy of my passport.
- Passport-Size photo as per Visa Specification.
- Travel Ticket Reservation Details.

I kindly request you to consider my application favourably. I am looking forward to the opportunity to study in Latvia and to immerse myself in its rich academic and cultural environment.

Thank you for your time and consideration.

Yours sincerely,
Adithya Sangeetha Binu
