To Whom It May Concern

I am delighted to write this letter of recommendation for Mr. Albin K Shaju for the Masters programme at your esteemed Institution. Mr. Albin K Shaju, student of Dr. Bhim Rao Ambedkar College, University of Delhi, BA (Hons.) Social Work (Roll No.2116/20, Year 2020-23) has joined Delhi Tuberculosis Association (DTBA) as a volunteer for his block placement internship for the period 29th July 2022 to 26th April 2023. As an Agency Supervisor for Student Interns, I have known him since last nine months and found him to be inspired and diligent professional.

During the period he assisted in various community projects of DTBA and has been made conversant with local community, Advocacy, Communication and Social Mobilization (ACSM) activities about Tuberculosis and its co-morbidities with special reference to under nutrition among youths/students. Further, field work with DTBA team for Active Case Finding (ACF) and door to door awareness campaign for our DMC Cum DOT Centre, functioning at DTBA premises under National Tuberculosis Elimination Programme (NTEP), Govt. of India (NTEP - National Capital Territory of Delhi) for providing comprehensive TB care services, free of cost covering nearby areas including urban slums and Night Shelters and Research work, i.e compilation of treatment completed patients data, evaluation etc. During the period we found that he is quite capable and committed to social work.

Furthermore, I have carefully observed his rapport with our staff members and appreciate his clam approach under challenging situations especially during field work. I have similarly observed him to be determined and a source of constant encouragement for his peers. I believe that his zeal will lead him to climb up ladders of success.

I am happy to see his aspirations for higher education and have faith in him that he will make the most out of the programme and would be a valuable fit at your Institution. I strongly recommend him for his education at your esteemed Institution.

We wish all success in his future endeavors.
