Subject: Application for German Student Visa for Self (Passport Number: S7557403)

Respected Sir/Madam,

I, Renita Correya, am a Bachelor's Degree holder in Biotechnology from St. Xavier's College, Ahmedabad affiliated with Gujarat University and I pursued a Post-graduation Diploma in Food Quality and Safety Management from MIDFT, Mehsana in affiliation with IGNOU. I would like to submit an application for a German Student Visa along with this letter. I have received an admission letter from Universität Hohenheim for the Master's Program in Food Science and Technology Winter Semester, 2024.

The duration of the program is 2 years, with 1500 € per semester. The program commences on 14th October 2024. I wish to leave for Germany before the commencement of the semester. I have learned that the University of Hohenheim offers one of the best and oldest programs in Natural sciences. I wish to focus on experimenting and implementing the subject exposure to make use of it in the best way possible for future research projects.

I intend to pursue my studies at the university through financial assistance from my parents. I have also created a blocked account with Expatrio amounting to €11,904 (Details as provided in the attached document) and a health and travel insurance.

I kindly request you to grant me German National Visa (Student Visa)

As mentioned in the checklist, please find the following documents to support my visa application:
