LETTER OF RECOMMENDATION

It gives me immense pleasure to write this recommendation letter for Mr. Vollala Nikhil. He had been a student of mine for one year and I witnessed his excellent growth in academics in the institute.

Mr. Vollala Nikhil impressed me with his willingness to learn new things combining with existing knowledge. He was always appreciated for his sincerity and dedication towards studies. He has good creative acumen and analytical approach to the challenges of life. He has proven to be a successful leader in the projects that he dealt during his college days.

He is multi-faceted person, showing a lot of enthusiasm for cultural and extracurricular activities. He is fluent in his languages and expresses his ideas clearly. He has been exemplary in his academics.

I am quite convinced that he would certainly show up as a good student. Therefore I would recommend him for admission at your prestigious university.
