

whom it may concern,

I Ramandeep Kaur writing to provide clarification regarding my financial statement for the residence permit application. Because I have opened a new account and its 4<sup>th</sup> months old, I am unable to provide a 6-month bank statement as required. Instead, I am submitting a 3-months bank statement to fulfill the requirement. I understand the importance of providing adequate documentation and assure you that the 3 month bank statement accurately reflects my financial status.

Kindly proceed accordingly,

Sincerely,

Ramandeep Kaur
