TO WHOMSOEVER IT MAY CONCERN

It gives me an immense pleasure to recommend **Mr. Rahul Siddharth Wase (Enrol. No. 20211037112934)** for admission to the Master's Programme at your esteemed University. I have known him as a student of Mechanical Engineering Department (Batch 2020-2023) for three years in my capacity as Head of the Mechanical Engineering Department.

He displayed impressive analytical skills, and a keen intellect. He participated in the classes enthusiastically and contributed in class discussions. Mr. Rahul was also selected as the president of Mechanical Engineering Department Student Forum. Along with extracurricular activities under the student forum, all his assignments were exemplary in terms of creativity and punctuality. He also received various college level awards such as Best outgoing student from the mechanical department and Late Shri Arjunrao Borikar award for academic excellence. In my experience, he exhibited a remarkable ability to comprehend complex concepts with ease.

Regarding his personal attributes, Mr. Rahul is characterized by self- confidence and possesses excellent communication skills. He is exceptionally motivated and displays a genuine eagerness to acquire new knowledge. I am confident that he is well equipped to tackle challenges associated with pursuing a master's degree at your esteemed University. Please do not hesitate to contact me for any additional information.

It gives me an immense pleasure to recommend **Mr. Rahul Siddharth Wase (Enrol. No. 20211037112934)** for admission to the Masters Programme at your esteemed University. I have known him as a student of Mechanical Engineering Department (Batch 2020-2023) for three years in my capacity as a Senior Faculty in the department of Mechanical Engineering.

I have had the pleasure of teaching Mr. Rahul for three years in their capacity as a student in our institution. Throughout this time, I have been consistently impressed with his dedication to academic excellence. He also received, Late Shri Arjunrao Borikar Award for academic excellence, a college level award for the same. He possesses a remarkable ability to grasp complex ideas with ease and has consistently demonstrated a strong student ethic. He actively engaged in class sessions and his assignments were consistently well done and punctual. He was also selected as president of Mechanical Engineering Department Student Forum.

As far as his personality is concerned, he is self confident and has good communication skills. He is highly motivated and eager to learn new things. I believe that he will be able to take up challenges of pursuing a Masters Degree in your esteemed University. Please feel free to contact me for any further information.
