LETTER OF RECOMMENDATION

Mr. MAXON FREDY was a COMMERCE student in our institution.

I was working closely with him during the period of two years from 2022-2024.

He has completed the course with good academic records. He is confident, hard-working and positive attitude. I found that he can be entrusted with responsibility. He has proved to be effective and meticulous in studies during the course of study.

I strongly recommend him candidature for admission to the graduation programme at your esteemed institution and to possible position for him assistantship and financial aid. I am sure that he will be asset to your institution .I wish him all success in future endeavours.
