TO WHOM IT MAY CONCERN

I feel very honoured to recommend that **Sandip Mallah**, son of **Mr Radheshyam Mallah**, was a bonafide student in English during his stay here to pursue his Grade XI and XII.

I first encountered Sandip when he was a junior in my English classes. He was one of the good students in the class that I taught during the 2020-2022 academic years. He was exceptionally curious and performed well in various extra-curricular activities.

In Summary, I highly recommend Sandip for the college program he has applied for. He will make a significant addition to your college's community.

Sincerely,

Suman Ghimire

TO WHOM IT MAY CONCERN

This is to certify that **Sandip Mallah**, son of **Mr Radheshyam Mallah**, was a regular student of this school. He passed the final examination of Grade XII, conducted by the National Examinations Board (NEB) of Nepal in 2022 AD. His registration number is 785490910106.

I have known him ever since he joined this school. While at school, I found him honest, diligent, co-operative, sociable and enthusiastic about learning. He maintained a good academic performance. Since this is an English medium school, he is good at the English language. He will be an asset to the institution that he joins.

He bears a good moral character.

I wish him every success in his future endeavours.
