Experience Certificate

2nd April 2024

To whom so ever it may concern

This statement should be taken as a certificate of excellence for **Mr. Sandip Mallah**, who has been teaching in our school as an **English and Mathematics Teacher in primary level**. He joined our school on 11th Sep 2022 and has been still teaching here. His conceptual learning method is very attractive and famous among the students. He has always taken care of the students and worked hard to teach the students an easier way. During his teaching period, he has organized different extra curriculum for students. His overall gesture is good. We consider him as a valuable resource in our school.

We are sure Mr. Sandip Mallah will prosper in his future study and bright career and we wish him all the very best. We hope he will grow consistently.
