LETTER OF RECOMMENDATION

I am happy to introduce Mr.Akhil.S a Bachelor of Business Administration student of this college during the year 2018 - 2021. He was found to be sincere and hardworking student, who is willing to put in lot of efforts and care in the task at hand.

During her interaction with me, he proved himself to be student of high potential and promising talent in his field of study. He was the initiative and inquisitiveness to understand the subject deeper and an urge to excel in whatever task he was assigned or undertakes. I find him suitable to pursue Post Graduate studies at any reputed University. He has a great zeal for higher academics and I remember him talking to me about furthering his studies.

He has done equally well in academic and Co-curricular activities. I am confident that he will be successful in any task that he may be assigned. His mode of study and full time, regular and medium of study and evaluation of entire course was English.

I am sure his talent will be utilized and proven in your University if gives an opportunity. Hence I strongly recommend Mr.Akhil S for Master's Programme at your reputed Institution.
