

## SELF-DECLARATION

Dear Madam/Sir,

I am writing to formally declare and provide an explanation for the gaps in my professional career.

During the periods from May 2017 to February 2018 Below, I have outlined the reasons for these gaps to offer clarity and transparency.

### **15th May 2017 to 17th June 2017**

After completing my plus two examinations in March 2017, I had to wait for the official results and final certification, which were issued in May 2017. Upon receiving my certificate, I joined a one-month course in Computerized accounting in tally and Computer operation (Windows, word, Excel, and PowerPoint).

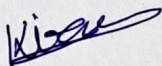

### **24th June 2017 to 30th December 2017**

During this time, I was focused on my language proficiency. So I joined a spoken English class for 6 months.

### **1st January to 28th February**

Apart from the above-mentioned period of courses, I was also working as a freelancer in digital painting and pencil drawing after these courses, I fully focused on my work Because I had more orders on my art.

Sincerely,

Kiran Thacheth Sunilkumar
