Subject: Application for student visa for self (Passport number – X6425555)

Respected Sir/Madam

I am Arun Thannikottu Kuriakose residing in Kerala India. I graduated from Kerala Veterinary and Animal Sciences University with a Degree in Poultry production and business management. In conjunction with this letter, I would like to apply for a student visa in Germany. I have received an admission letter from the Georg-August-Universität, Göttingen for Master's in Integrated plant and animal breeding in the winter Semester of 2024.

The duration of the program is 2 years with no tuition fees, which commences on 21<sup>st</sup> October 2024. As per the admission letter. Upon thorough research, I've identified the Georg-August-Universität as the ideal institution to further my career aspirations in the field of agriculture. I wish to focus on experimenting and implementing the subject exposure to make use of it in the best way possible for my future career ambition. I intended to pursue

my studies at the university through the financial assistance of my parents. I have also created a blocked account with Fintiba amounting to €11,208.00 (Details provided in the Attached documents) and health and travel insurance.

I kindly request you to grant me a German National Visa (Student Visa).

As mentioned in the checklist, please find the following documents to support my visa application.

- Valid passport
- Three identical biometric photos
- Copy of passport data pages
- APS certificate
- Letter of admission from German University
- Proof of financial means
- Proof of previous academic qualifications
- Proof of language
- Curriculum vitae (CV)
- Statement of purpose
