Documentation for Submission to the Julius-Maximilians-Universität Würzburg

Dear Allaine Ren Kuruvilla,

Thank you for your application.

Based on your qualifications we cannot issue you with a regular Preliminary Review Documentation (VPD). We will be making the results of our evaluation available to the university where a final decision will be reached regarding your admission.

Explanation of our evaluation:

Your undergraduate degree meets the formal requirements for admission to Master's programmes in Germany.

However, according to the guidelines from the Central Office for Foreign Education (Zentralstelle für ausländisches Bildungswesen - ZAB), the content of your degree requires additional assessment by the university.

Please include this letter in your application to the university. The uni-assist application process in itself is not sufficient. For more information on additional steps in the application process, please consult the university.

Kind regards,
Your uni-assist team
