The scholarship holder's obligations are:

- to fulfill all obligations in the year of the educational program for which he received a personnel scholarship and to enroll in the higher year of this educational program,

During the contractual relationship, the scholarship holder is obliged to notify the employer of any change within 30 days at the latest from the occurrence of a change that could affect the scholarship relationship, or from the time he became aware of it, and in particular:

Štipendist se zavezuje, da se bo po uspešno zaključenem izobraževalnem programu za katerega prejema kadrovske štipendije po tej pogodbi, ob pravočasni ponudbi zaposlitve, zaposlil pri delodajalcu na podlagi pogodbe o zaposlitvi, vsaj za 12 mesecev.

Article 6 **(employment obligation)**

The scholarship holder undertakes that, after successfully completing the educational program for which he receives a personnel scholarship under this agreement, he will be employed by the employer on the basis of an employment contract, for at least 3 months, upon a timely offer of employment.

V kolikor se štipendist, kljub morebitni pravočasni ponudbi zaposlitve, ne zaposli pri delodajalcu ali se zaposli brez pisnega soglasja pri drugem delodajalcu, mora v CELOTI vrniti izplačane kadrovske štipendije na podlagi sklepa delodajalca.

If the scholarship recipient, despite a possible timely offer of employment, does not take up employment with the employer or takes up employment with another employer without written consent, he/she must return the staff scholarships paid in FULL based on the employer's decision.

7. člen
(obveznost delodajalca)

Article 7
(obligation of the employer)

Delodajalec se zavezuje, da bo mesečno izplačeval kadrovske štipendije na transakcijski račun štipendista, najkasneje do 15. v mesecu za pretekli mesec.

The employer undertakes to pay the staff scholarship monthly to the scholarship recipient's transaction account, no later than the 10th of the month for the previous month.

Pogodbene stranki se dogovorita, da delodajalec, kljub plačevanju štipendije, ni dolžan skleniti s štipendistom delovnega razmerja.

The parties to the agreement agree that, despite paying the scholarship, the employer is not obliged to enter into an employment relationship with the scholarship recipient.

Izjemoma lahko delodajalec štipendista zaposli pred zaključkom izobraževanja, v takem primeru štipendist od meseca, v katerem se je zaposlil, ni več upravičen do kadrovske štipendije, hkrati pa ni dolžan vrniti že prejete štipendije.

Exceptionally, the employer may employ the scholar before the end of the education, in which case the scholar is no longer entitled to the personnel scholarship from the month in which he was employed.

8. člen
(prenos kadrovskega štipendiranja in zaposlitve)

Article 8
(transfer of staff scholarships and employment)

Delodajalec lahko vse pogodbene obveznosti za posameznega štipendista po tej pogodbi prenese na drugega delodajalca.

The employer may transfer all contractual obligations for an individual scholarship holder under this agreement to another employer.

Pogodbene obveznosti se lahko prenesejo na novega delodajalca, če novi delodajalec prevzame vse obveznosti izplačevanja kadrovske štipendije in morebitne kasnejše zaposlitve štipendista.

Contractual obligations can be transferred to the new employer, if the new employer assumes all obligations for the payment of the staff scholarship and possible subsequent employment of the scholarship holder.

Prenos NI možen na delodajalca, pri katerem je štipendist poslovodna oseba ali direktor ali na štipendista, ki opravlja samostojno registrirano dejavnost. Prenos se uredi z dodatkom k tej pogodbi.

Transfer is NOT possible to an employer where the scholarship holder is a managing person or director, or to a scholarship holder who performs an independent registered activity. The transfer is governed by an addendum to this agreement.

9. člen
(vračilo kadrovske štipendije)

Štipendist izgubi pravico do kadrovske štipendije in mora vrniti prejete zneske kadrovske štipendije za obdobje, kot izhaja iz 1. člena te pogodbe, če:

- štipendist odpove pogodbo o štipendiranju,
- če letnika, za katerega je prejemal kadrovske štipendije, ne konča uspešno in ne izpolni pogojev za vpis v višji letnik, oziroma če svoje izobraževanje prekine, razen ga prekine zaradi zaposlitve pri delodajalcu v primeru iz 7. člena (delodajalec lahko štipendista zaposli pred zaključkom izobraževanja),
- če ne izpolnjuje obveznosti po pogodbi o štipendiranju ali, če iz predloženih dokazil izhaja, da pogodbenih obveznosti ne izpolnjuje,
- štipendist v času izobraževanja pridobi status brezposelne osebe, se brez soglasja delodajalca samozaposli ali se brez soglasja delodajalca zaposli pri drugem delodajalcu,
- ne sprejme pravočasno ponujene zaposlitve na ustrezno delovno mesto pri delodajalcu v enem (1) mesecu po zaključenem izobraževanju, za katerega je prejemal kadrovske štipendije oziroma to zaposlitev odpove pred potekom treh (3) mesecev,
- je kadrovske štipendije pridobil na podlagi posredovanih neresničnih podatkov.

Štipendist je prost izpolnitve obveznosti sprejema zaposlitve pri delodajalcu, če postane trajno nezmožen opravljati delo, za katerega se je izobraževal in prejemal kadrovske štipendije, kar dokazuje z odločbo Zavoda za pokojninsko in invalidsko zavarovanje Slovenije.

Article 9
(reimbursement of staff stipend)

The scholarship holder loses the right to a staff scholarship and must return the received amounts of the staff scholarship for the period, as stated in Article 1 of this agreement, if:

- the scholarship recipient terminates the scholarship agreement,
- if he does not successfully complete the year for which he received a staff scholarship and does not fulfill the conditions for enrollment in a higher year, or if he interrupts his education, unless he interrupts it due to employment with the employer in the case referred to in Article 7 (the employer may employ the scholarship recipient before the end education),
- if he does not fulfill his obligations under the scholarship agreement or, if it follows from the submitted evidence that he does not fulfill his contractual obligations,

- he obtained the personnel scholarship based on false information provided.

The scholarship recipient is free to fulfill the obligation to accept employment with the employer if he/she becomes permanently unable to perform the work for which he/she was trained and received a staff scholarship, as evidenced by the decision of the Pension and Disability Insurance Institute of Slovenia.

10. člen
(višina in način vračila)

V primerih prenehanja štipendijskega razmerja je štipendist dolžan vrniti štipendijo v vrednosti, preračunani skladno z gibanjem indeksa cen življenjskih potrebščin.

Rok za vračilo zneska iz prejšnjega odstavka je 15 dni od prejema zahtevka delodajalca za vračilo.

V primeru zamude vračila skladno s prejšnjim odstavkom je štipendist dolžan poravnati tudi zamudne obresti.

Article 10
(amount and method of return)

In cases of termination of the scholarship relationship, the scholarship holder is obliged to return the scholarship in a value calculated in accordance with the movement of the consumer price index.

The deadline for refunding the amount from the previous paragraph is 15 days from the receipt of the employer's request for refund.

In the event of a delay in repayment in accordance with the previous paragraph, the scholarship recipient is also obliged to pay late interest.
