## LETTER OF RECOMMENDATION

Mr. MUHAMMED BASITH K was a BACHELOR OF COMPUTER APPLICATION Student in our institution. I was working closely with him during the period of three years from 2014 to 2017.

He has completed the course with good academic records. He is confident, hardworking and has a positive attitude. I found that he can be entrusted with responsibility. He has proved to be effective and meticulous in studies during the course of study.

I strongly recommend him candidature for admission to the postgraduate programme at your esteemed institution and to possible position for him assistantship and financial aid. I am sure that he will be asset to your institution. I wish him all success in future endeavours.
