## English language Competency Requirements for Admission to Vistula Group of Universities

A student who wants to study at Vistula Group of Universities in English language must normally provide, along with other application documents, an English language certificate (B2 level equivalent) such as TOEFL, TOEIC, IELTS, FCE, ESOL, IESOL, EBC, EOS, LCCI, CAE, CPE, BEC, CEIBT, CELS etc.)\* For a student to be exempt from this, student must be a native English language speaker. Diplomas from bilingual schools or English language-oriented schools are not exempt. If a student has completed high school education at a school where the medium of instruction is fully in English, he will be accepted but he will sit **English Entry Exam** upon arrival to confirm his level.

The following rules must be read, understood, and confirmed by the applicant.

1. The student can begin to study at a chosen program directly if his/her English language test score is a min IELTS= 5.5, TOEIC =700, TOEFL=IBT 72 etc.
2. If the student does not have a test score lower than the above given minimum scores, does not have a certificate or has something other than the above-mentioned test scores at the moment of application for admission, but still would like to finalize his/her application for program studies without an English language preparation, then there are three options:
  - 2.1. Student will take one of the tests mentioned above, acquire, and submit the score (with min scores indicated in #1 above) before the beginning of the studies to the Vistula University admissions office.
  - 2.2. Student will participate in the Summer/Winter Course of English Language and sit an **English Entry Exam** at the end of the course.
    - a. If the score is 00-574, he/she will continue education at Preparatory Language Course for 1 or 2 semesters until a test score is at least 575.
    - b. If the score is 575-699, he/she will be enrolled to a program of study in English on condition that he/she attends English classes during the whole first year of studies.
    - c. If the score is 700-990, he/she will be enrolled to a program of study in English directly.
  - 2.3. Student will take an **English Entry Exam** at Vistula University upon arrival in Poland. Student can commence program studies subject to the same condition indicated in #2, item 2.2 a-c.

I hereby declare that I understand and accept everything written above.

Name and Surname of Candidate:
