LETTER OF RECOMMENDATION

It is true pleasure for me to write letter of recommendation for Mr. Kuldeep Kumar S/o Mr. Sukhdev, who was my student during his Bachelor of Technology(Civil Engineering) from 2020 to 2023 (University Regd. No. 2017636).

He is a reserved, sober young student who shows marked maturity in his single-minded dedication to his studies. With cooperative nature, He was always liked by his classmates and faculty members. I'm sure that you will find, as I have, that his quiet, persistent intellect speaks volumes for his drive to be a gifted engineer.

I wholeheartedly recommend Kuldeep Kumar for desired higher studies. Please contact me if there is anything I can do on his behalf.

Sincerely,

LETTER OF RECOMMENDATION

It is true pleasure in recommending Mr. Kuldeep Kumar S/o Mr. Sukhdev, who was my student in Bachelor of Technology - Civil Engineering during his Bachelors of Technology from 2020-2023 (University registration No. 2017636). He is one of the most exceptional students that I have encountered in my teaching career. He is a perceptive, sharp, quick individual with a high aptitude for subjects.

His cheerful nature and openness to feedback means he is always learning and growing as a learner, an impressive strength that will continue to serve his well in the institute and beyond. He is just the kind of driven, engaging, and curious student that helped create a lively environment and safe place to take intellectual risks.

Kuldeep Kumar has my highest recommendation. Please do not hesitate to contact me in case of any query.
