### CONDITIONAL OFFER LETTER

We hereby confirm that Arunima Rejy, born 07/10/1999 in India is conditionally accepted to study at Kaunas University of Technology in the Master's degree programme "Environmental Engineering" from the 1st September, 2024. The decision is based on presented education and supporting documents via apply.ktu.edu. If a fraud is found during the application process or the applicant does not meet the requirements of conditional acceptance, KTU has a right to cancel the conditional offer.

The Environmental Engineering Master's degree programme is under the supervision of the Faculty of Chemical Technology. The course is a 2 years years full time programme. The language of instruction is English. The application fee is EUR 100. The one year (60 ECTS) tuition fee is EUR 3949.80.

Arunima Rejy will be accepted onto a full time Master's degree programme at Kaunas University of Technology **after presenting** the notary verified documents to the KTU International Studies Office and paying the first year tuition fee within 14 days from 29 Apr 2024.

The student is awarded with the partial tuition fee waiver. The standard fee is 5,266 EUR/year. The partial tuition fee waiver applies for the first semester, and can be prolonged only if the student's CGPA remains 8 or higher and all subjects are passed successfully.

The student may be provided with the place at KTU dormitory during his/her studies at the University. Accommodation priority is given according to the date of the tuition fee payment. The dormitory fee is not included into the tuition fee.
