LETTER OF RECOMMENDATION

It is with great pleasure that I recommend **Ms Anitta Thomas** (bonafide student of this institution bearing Reg. No.17010402 for the Bachelor of Science (Mathematics) programme during the academic years 2017-2020, The Medium of Instruction in our college is English.), for higher studies in your esteemed University. She was a passionate student and used to excel in her works. She is a determined individual who has perseverance to finish any task that she is entrusted with. I am sure she will excel in higher studies also. She is well-disciplined and maintains a good rapport with her teachers and peer group. She has good leadership qualities and is active in her co-curricular activities too.

She is a student with a delightful personality and believes in performing to the best of her ability. She will work hard towards the fulfilment of any responsibility that she undertakes. She is a student with great potential and who will thrive under great mentorship which your University is well equipped to provide. I put my faith in her to prove herself to be an invaluable addition to your institution.

I strongly recommend her to be considered as a potential candidate for this course.
I wish her all success.
