## Letter of Recommendation

I, head of this institution, take the pleasure of recommending Ms. ANITTA THOMAS (Register No: 17010402) an excellent candidate for doing the masters at your esteemed University. She has successfully completed her BSc Mathematics from Assumption College Autonomous, Changanassery in 2020. The medium of instruction for the entire course was in English. She is industrious, focused and dedicated towards her work and I have no hesitation in saying that she will be an excellent candidate for the Higher Education.

She always scored good marks in the exam and has an interest in extracurricular activities too. She is a very disciplined and hardworking student and very helpful to others. She worked hard to complete the given tasks and attempt to achieve her goals. I appreciate her dedication, sincere efforts to make progress in her academics.

I am confident that she would make an excellent addition to your institution and I strongly recommend her. I hope you will consider this request and admit her into your esteemed university. If you have any question about this recommendation, please don't hesitate to contact me. Thank you for your time.

Thanking you

Yours sincerely

Dr Jikcey Isaac

Head of the Department of Mathematics

Assumption College Autonomous, Changanassery, Kerala.
