TO WHOM SO IT MAY CONCERN

As the head of the department of Economics. I am delighted to write a recommendation for Anitta Thomas. She is known to me from 2020 onwards as a postgraduate student. She is a bright and attentive young person. In classes as well as her other academic responsibilities she has proven that she is an intelligent and capable student with great potential. During her turn as a PG student, she completed a term paper, an internship and a project. She was always willing to take responsibilities. She was an active participant in class discussions and grasped materials quickly. I therefore recommend Anitta Thomas enthusiastically for higher studies in your esteemed institution. I wish her all success in her future endeavours.

Sincerely

Dr. Elsamma Joseph
