Dear Admissions Committee,

I am writing to express my sincere interest in applying for the Master's program in Data Science in Business at the University of Maribor. Having extensively researched your program and being deeply impressed by its curriculum and faculty, I am eager to contribute to and benefit from the academic environment at your esteemed institution.

Throughout my academic journey, I have nurtured a profound fascination for the intersection of data science and business. Furthermore, I have actively sought out opportunities to deepen my understanding of these subjects through independent projects and coursework.

What truly excites me about your program is its emphasis on practical applications of data science in the business world. From analyzing customer behavior patterns to optimizing supply chain operations, I have witnessed the transformative power of data-driven strategies and am eager to further explore this field through your program.

Moreover, I am drawn to the collaborative and interdisciplinary nature of your program, which I believe will foster rich learning experiences and facilitate the exchange of ideas among peers and faculty. I am particularly interested in courses such as [mention specific courses or areas of study] and am eager to engage in research projects that address real-world challenges faced by businesses today.

I am confident that the Master's program in Data Science in Business at the University of Maribor will provide me with the necessary skills and knowledge to make meaningful contributions to the field. I am committed to academic excellence and am eager to seize every opportunity for personal and professional growth that your program has to offer.

Thank you for considering my application. I am eagerly looking forward to the possibility of joining your academic community and contributing to its vibrant intellectual discourse.

Warm regards,

Veenus Kumar Nedunuri
