#### LETTER OF RECOMMENDATION

It is with great pleasure that I write this letter of recommendation for Mr. Devans Dubey. I had the chance of teaching him English in grade XI & XII. He has been an outstanding student throughout my teaching years. He has always been the one supplying positive energy in the class by interacting with teachers as well as his friends, participating in class discussions with great enthusiasm and helping his peers whenever possible.

Mr. Dubey has always been a prolific person when it comes to class activities such as presenting infront of class, leading project works and so on. I have always seen him as a diligent and industrious student. He has never missed an assignment in my record and has always taken any assignments or projects given to him as an opportunity. His knowledge does not remain bound to a single field. He carries information regarding myriad subjects and topics. I have come to know this because in his class presentation he used to integrate the topic given to him with many different aspects such as current global problems, human values, psychology, philosophy etc. Also, he is a creative thinker and writer.

I would highly recommend Mr. Devans Dubey in the available position. Mr. Dubey will be an extremely positive asset to your organization. Please do not hesitate to contact me if you require any further information.
